Further the University is not inclined to grant affiliation for the remaining courses because of the following reasons.

a. Faculty deficiencies such as

1. Lack of Identity proof of faculty such as PAN Card/ Aadhaar Card of the faculty (for the verification of faculty particulars).
2. Lack of Payment of salary particulars for existing staff (Bank statement including TDS particulars)
3. Qualified and Ratified Principal.

b. Laboratory deficiencies

1. Non availability of laboratory equipment / Non working condition of laboratory.

The above are essential for imparting Technical education.

It is further stated that the University reserves its right to make further re-inspection at any time for satisfaction of the existing essential academic requirements in particular Laboratory and Faculty in your college. If the University is not satisfied regarding the essential requirements the affiliation may be cancelled..

MINUTES OF BOARD OF GOVERNORS MEETING HELD ON March 30, 2015 AT 3:00 PM IN THE
PRINCIPAL'S CHAMBER OF BHARAT INSTITUTE OF ENGINEERING & TEHCNOLOGY,
MANGALPALLY

Following are members of Board of Governors:

1. Shri. Ch. Venugopal Reddy, Chairman
2. Dr. A.V.N. Swamy, Principal
3. Shri. M. Pramod Reddy, President, ERSK Consultants.
4. Dr. Krishna Prasad, Dean Admin.
5. Prof. G. Kumuraswamy Rao, Director R & D, HOD - ECE (not present)
6. Prof. A. Ramachandra Reddy, former VC Yogi Vemanna University (not present)
7. Daruka Govind, HOD Aeronautical Engineering

Agenda:

- 1) Welcome and review of the progress of the institution by Principal.
The principal welcomes all the members and appraised them about the Institute
- 2) Review of the alleged shortfalls/deficiencies pointed out by FFC Dec 2014 team vide its inspection on December 20, 2014.
 - (i) The discrepancies between the actual position, including the acknowledgement by the FFC members, and the final notations of deficiency. The members present discussed the same and concluded that the deficiencies if any are minor, and most of the deficiencies pointed out were on account of either obvious typographic errors or misreading/wrong portrayal of the situation.

NEVERTHELESS, the Governing Council resolved that each and every norm, of both AICTE and JNTU, be met irrespective of whether minor or major.
 - (ii) Approvals for purchase of equipment for laboratories, computers and any other all equipment such as copiers and printers (but not limited to) required by both academic and administrative wings:

The Chairman, Shri. Venugopal Reddy placed the approval of CHMR Educational Society for release of any extra funds needed to help the college to purchase equipment sufficient to be able to perform all the experiments mentioned in JNTU syllabi, and not just recommended.

The Governing Body unanimously approved a plan to purchase all the equipment needed by labs to perform all of the mentioned experiments, as opposed to just the minimum required by JNTU. The Governing Body also unanimously approved the plan to purchase 300 computers more, to ensure that AICTE norms are strictly adhered to, and also replace some of the older computers. The Governing Body also approved the plan to purchase new and/or upgrade old office equipment to serve the needs of both the academic and administrative wings.

The Governing Body directed the Principal to have each lab prepare a comprehensive list of equipments needed so that all the experiments can be conducted (not just the minimum), and also both academic and administrative wing to develop a comprehensive list of purchases to be made.

Notifications for recruitment of Faculty and stated deficiencies by FFC.

The Governing Body upon perusal of all documents concluded that the deficiencies stated by FFC Dec 2014 may have been in error as in some instances the FFC committee itself had clearly marked the faculty as present and counted for MTech courses and yet marked out a deficiency, contradictorily, in the final recommendations. Nevertheless, the Governing Body, in view of the fact that there is an imperative need to develop a strong research arm and industry consultancy, has advised that the Institute go on a strong and vigorous faculty recruitment drive, as had been previously decided.

The notifications for faculty recruitment, and faculty appointments were reviewed and unanimously approved by the Governing Body.

Institution Development Plan

Governing Body discussed the Institution Development Plan and made some rete suggestions for further research and review at the next meeting.

4. New Intake, and Applications for Closure for BTech Aeronautical Engineering (2015-2016 Academic Year), and Closure of MBA (2015-2016 Academic Year).

The Governing body discussed the new intake approvals and suggested concrete plans for developing and instituting comprehensive personality development, and life skills training programs to ensure our students occupy positions of leadership in all walks of life.

Based on falling demand for BTech Aeronautical Engineering, and the MBA, the Governing Body recommended the closure of B.Tech Aeronautical Engineering and MBA (for academic year 2015-2016).

5. Review of New Buildings

The Governing Body commended the fast completion of the massive new block, which will push the Institution to the next level of facilities to emerge as a premier research and teaching institute on par with the best at the national level.

6. Any other matter with permission of the Chair - None.
