Certificate

This is to certify that Mr./Ms. K Kumara Swamy
son/daughter of Mr. K Bikapathi pursuing B.Tech in ECE from
(College Name) Bharath Institute of Engineering & Technology
Roll No. 14E11A0482 has successfully completed the Main Project
in the area of Rescue & Protection System For Underground Mine Workers Based on
Arduino under
supervision. It is a bonafide work carried out by her/him from 25/01/2018 to 10/03/2018
He/she has completed the assigned module as per the requirements within the time frame.
During the above period, the trainee's conduct was found Good

PROJECT COMPLETION CERTIFICATE

Date: 06/04/2018

This is to certify that Ms. V. SARIKA bearing Reg.No: 14E11A04A9 a student of BHARAT INSTITUTE OF ENGINEERING & TECHNOLOGY, Ibrahimpatnam pursuing the Degree of B.Tech., in Electronics and Communication Engineering, has undergone Project work titled "DESIGN VEHICLE POSITIONING SYSTEM WITH EXACT LOCATION ADDRESS BASED ON ARM7" in "EMBEDDED SYSTEMS" under our guidance during the period from 19/01/2018 to 20/02/2018 in partial fulfillment of the requirements for the award of the above mentioned Degree. The student is punctual, hardworking and shown keen interest to produce the project output and results.

Dear Sir,

Sub: Request for Permission to Industrial Visit (SRB- Power House) – Reg.

Bharat Institute of Engineering and Technology was established by Chinta Reddy Madhusudhan Reddy Educational Society (CHMR) in the year 2001. BIET campus is situated in lush green and scenic surroundings, 18 km from L. B. Nagar, Hyderabad and 3 km from Outer Ring Road.

Our College is one among the top raising Engineering Colleges of Telangana. Regular Industrial visits are being arranged by the college to broaden the practical out-look of the students.

As a part of this program it is proposed to arrange a visit to your esteemed organization (SRB- Power House) for our third year EEE students.

We request you to permit 60 students and 03 faculty members of our institution to visit your organization (SRB- Power House) on 21st October 2017. Your timely confirmation will be highly appreciated and will facilitate us to plan the visit in detail.

Anticipating for your positive reply.

Thanking you,

Yours faithfully,

Principal

Date: 21-10-2017

To
The HOD,
EEE Dept., BIET

Sub: Report on Srisailam Power House Right Bank Visit

As a class representative it is my pleasure to write report on behalf of our class, we the students of 3rd year EEE, BIET have visited SRISAILAM RITHT BANK Hydro Power Station, on 21st Oct 2017.

The Srisailam Dam is constructed across the Krishna River in Kurnool district, Andhra Pradesh near Srisailam town and is the 2nd largest capacity working hydroelectric station in the country. Project has an estimated live capacity to hold 178.74 Tmcft at its full reservoir level of 885 feet. The left bank (SLB) underground power station houses 6 × 150 megawatts reversible Francis-pump turbines for pumped-storage operation and the right bank (SRB) semi underground power station houses 7 × 110 megawatts Francis-turbine generators

The right bank power house has 7 generating units and each generating unit produces 110 MW power. We were divided into 3 groups with 20 students in each group & one faculty member along with a guide. First, we went into the cabin where the automation of the power generation can be seen in all the 7 generating units. Then we went downstairs, to see the turbine and inlet pipe. We could see practically how water flows from reservoir penstock to turbine chamber. The faculty along with the members of the power unit took all the pain to explain us very clearly about the inflow of the water, how the penstock's works, how the water flows from generating valve to butterfly valve and rotating shaft, and finally the outflow of water. We were able to visit the complete working of 2 generating units, out of 7. As the load demand has decreased, we noticed that 220 MW of power is being generated at that time. We understood how turbine works and which alternator has to be used. We were very excited and happy as we got a chance to gain the knowledge practically. They cleared all our doubts and helped in making this industrial visit a memorable one for us.

We sincerely thank the Industrial Coordinator and HOD for arranging this visit & we look forward for many more Industrial visits in coming days.

We would also like to thank the management and faculty (Vijay, Kalpana, Madhuri and Srinivasa Rao) members who are providing all necessary facilities and support for the visit.

Permission - Accorded-Reg.

Ref:- Your Letter No:BIET/EEE/Industrial Visits/2017-18/03, Dt.17.10.2017.
<<>>

With reference to the letter cited above, you are informed that, B.Tech 3rd year Electrical & Electronics Engineering students numbering about 60 members along with 3 Nos. faculty members of E.E.E. Department of your college are permitted to visit the Srisaillam Right Bank Power House on 21.10.2017.

1. Cameras, Cell phones and Electronic items etc., are **not allowed** inside the Power House.
2. The Students & faculty members should follow the **APGENCO Engineers instructions** in Power House.
3. Damages are to be borne by your college if any **loss/damage** occurs with the students & faculty members during the visit.
4. The Students & faculty members are advised to take all precautionary measures **avoid any mishap** during the visit.
5. The Students & faculty members **should not use Lift** in Power House.
6. The Students & faculty members are advised to **bring their photo identity cards** while entering into the Power House.
7. The Faculty members should take care of students regarding the **Electrical equipments installed** inside the Power House and to **maintain the discipline** while in around the Power House.
8. Please note that APGENCO is **no-way responsible for any mishap/accidents** to the students during the visit.

Industrial visit to University College of Engineering, Osmania University, Hyderabad 07-12-2017

07.12.2017

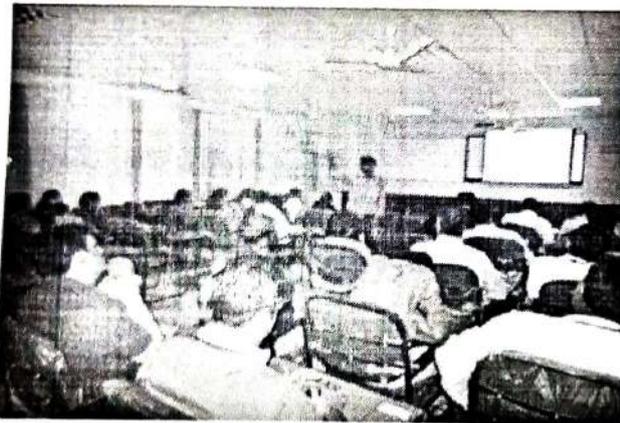

The day began with session on "Reconfigurable Antennas" by Dr. D. Rama Krishna, Associate Professor, ECE Dept., University College of Engineering, Osmania University, Hyderabad. He also explained about the various research facilities available at ECE department of Osmania University and the Centre for Excellence in Microwave Engineering.

Dr. Rama Krishna provided the complete details of Reconfigurable Antennas starting from the basics, reconfigurability and configuring microstrip antennas.

He explained various techniques to achieve reconfigurable antenna designs, conventional antenna arrays, SIW antennas. He also discussed about reconfigurable antenna CAD simulator, PIN diode switch modeling and simulation using ADS software, different reconfigurable printed antenna structures and other reconfigurable antennas.

Next session involved the visit of Centre of Excellence in Microwave Engineering, Osmania University, Hyderabad where several facilities and antenna structures available were demonstrated.

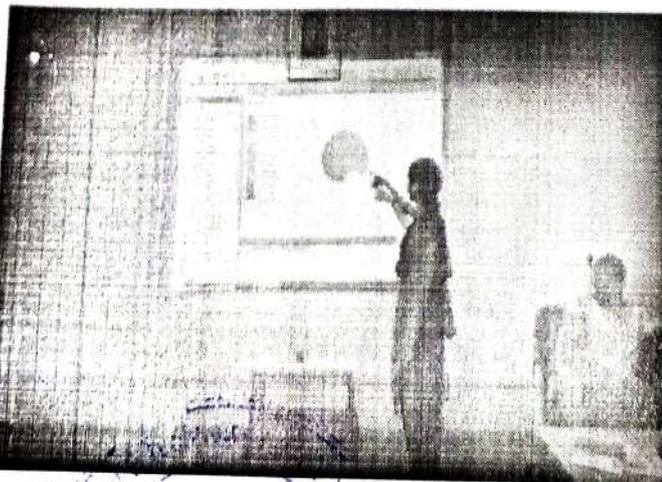

The post lunch sessions began with hands on practice using various antenna softwares by Dr. D. Rama Krishna and his research scholars Ms. N. Srujana, Ms. V. Sarahsanhitha, V. Katyayani and team with the research facilities available in Osmania University. During this session simulation of various antenna designs were practiced and demonstrations of various antennas and measuring instruments were also performed by Dr. D. Rama Krishna, Osmania University, Mr. A. S. Madhusudhan Reddy, Mr. Sravan Kumar of Synergy Measurement Technologies Pvt., Ltd.

TATA STRIVE - goal is to train unemployed youth and get engaged them in right job .

The training programs are in various fields such as

- ✔ Banking
- ✔ Retailing
- ✔ Hospitality
- ✔ Hotel management
- ✔ Automobiles
- ✔ Textiles
- ✔ Electronics

The Training Centre " TATA STRIVE" provides training for youth who are unemployed and are from rural background lacking of communication skills and interview skills the students are from 10th to P.G. The module of TATA is youth development ,child welfare. once the students are trained they need to attend the examination and training centre will allot the qualifying certificate to the students which is valid for further placements and assistance ,once the students qualify examination and receive the certificate they are placed directly in to the companies with good salary package .

Our MBA students come to know a lot of things from the training centre. Students visited and observed the way the trainees undergo the training session from various backgrounds, and in a various sectors. The students were briefed about the organization and a small activity was conducted. Students were divided into 3 batches. Each batch is taken out to tour the different departments in the skill development centre.

Orientation Programme on TASK for MBA students

Date : 21 July. 18

Timings : 12.00pm-1.00pm

Event : TASK (Telangana Academy of Skills and Knowledge)

Venue : Auditorium (NA Block)

Speaker : Shravani - Relationship Manager - TASK

During the course of her address, Ms.Sravani had outlined various programmes being undertaken by TASK to enhance employability quotient amongst students.

The following are some of the key areas which were highlighted by Ms. Shravani during her presentation.

1. Providing Placement assistance to students.
2. Opportunity to participate in placement drives.
3. English Language Skilling.
4. Internship Opportunities
5. Mentor Talks
6. Career Development Workshop
7. Training on Soft skills and emerging technologies.

The meeting ended on a cordial note after the Question Answer session.

In addition to the above, the following organizations had also made presentation highlighting their activities for the benefit of students :-

1. TCS ION – Mr. Krishnadas, Programme Manager and Mr.Kondalreddy, Regional Head, TCS ION enlightened the students on various webminar certifications and requested students to take advantage of their offerings. Later they had distributed handouts to all the students to this effect.
2. Manhattan Review Pvt.Ltd., Mr.Rohith, Regional Manager and Mr.Rajiv Mishra, Business Development Executive, Manhattan Review had requested students to take their assistance for persuing Overseas Education in USA, Cannada and Europe. The meeting was completed on a positive note.
