INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. INSTRUCTIONS TO DESIGNATED SCHOOL OFFICIALS

1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact or using any false document in the submission of this form. Designated school officials should consult regulations pertaining to the issuance of Form I-20 A-B at 8 CFR 214.3(k) before completing this form. Failure to comply with these regulations may result in the withdrawal of the school approval for attendance by foreign students by the Immigration and Naturalization Service (8 CFR 214.4).

2. ISSUANCE OF FORM I-20 A-B. Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out of status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.

3. ENDORSEMENT OF PAGE 3 FOR REENTRY. Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

4. REPORTING REQUIREMENT. Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.

5. CERTIFICATION. Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

6. ADMISSION RECORDS. Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

INSTRUCTIONS TO STUDENTS

1. Student Certification. You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. **The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.**

2. ADMISSION. A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

3. SCHOOL. For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

4. REENTRY. A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

5. TRANSFER. A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

6. EXTENSION OF STAY. If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

7. EMPLOYMENT. As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

8. Notice of Address. If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

9. Arrival/Departure. When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

10. Financial Support. You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States whil pursuing a full course of study. You are required to attach documentary evidence of means of support.

11. Authorization to Release Information by School. To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

12. Penalty. To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

AUTHORITY FOR COLLECTING. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The information solicited will be used by the Department of State and the Immigration and Naturalization Service to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection or information. Send comments regarding this burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S Department of Justice, Immigration and Naturalization Service (Room 2011), Washington, D.C. 20536; and to the Office of Management and Budget, Paperwork Reduction Project, OMB No. 1653-0038, Washington, D.C. 20503.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the Home Office website for details of approved test centres where you may undertake one of the new style SELT IELTS.

Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit our website.

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the UKCISA website.

For further information about your tuition fees, including when they are due and the circumstances in which they may change for future years of your course please see the **Fees and Finance Policy** which is

Please note that graduates of a University of Hertfordshire undergraduate degree (either in the UK or at a partner institution overseas) and who are starting a new postgraduate taught course at the university will receive a 20% reduction of fees. This will be reflected in the fees invoice.

Accepting this offer

We very much hope you choose to study with us, so the next step will be to formally accept this offer.

By accepting this offer, you are entering into a legal contract to study with the University of Hertfordshire, subject to you fulfilling the conditions (if any) of the offer.

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 02/08/2019. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you accept this offer, we will acknowledge receipt as soon as reasonably possible.

There is more information about the contract in the **Key Facts** document sent with this letter, so do please read it carefully (as well as the other accompanying documents) before accepting our offer.

If on our part there are any conditions which have to be met before we can guarantee to run the course, these will also be set out in the **About your course** factsheet.

Dear Stuti,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Master of Science program in Computer Science at the University of Illinois at Chicago (UIC) beginning in the Fall 2018 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Please call or email the Department of Computer Science to set up an appointment with your advisor. Also available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to http://go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at http://campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at http://go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The information solicited will be used by the Department of State and the Immigration and Naturalization Service to determine eligibility for the benefits requested.

INSTRUCTIONS TO DESIGNATED SCHOOL OFFICIALS

1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact or using any false document in the submission of this form. Designated school officials should consult regulations pertaining to the issuance of Form I-20 A-B at 8 CFR 214.3(k) before completing this form. Failure to comply with these regulations may result in the withdrawal of the school approval for attendance by foreign students by the Immigration and Naturalization Service (8 CFR 214.4).

2. ISSUANCE OF FORM I-20 A-B. Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out of status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.

3. ENDORSEMENT OF PAGE 3 FOR REENTRY. Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

4. REPORTING REQUIREMENT. Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.

5. CERTIFICATION. Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

6. ADMISSION RECORDS. Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

INSTRUCTIONS TO STUDENTS

1. Student Certification. You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. **The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.**

2. ADMISSION. A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

3. SCHOOL. For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

4. REENTRY. A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

5. TRANSFER. A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

6. EXTENSION OF STAY. If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

7. EMPLOYMENT. As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

8. Notice of Address. If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

9. Arrival/Departure. When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

10. Financial Support. You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States whil pursuing a full course of study. You are required to attach documentary evidence of means of support.

11. Authorization to Release Information by School. To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

12. Penalty. To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

AUTHORITY FOR COLLECTING. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The information solicited will be used by the Department of State and the Immigration and Naturalization Service to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection or information. Send comments regarding this burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S Department of Justice, Immigration and Naturalization Service (Room 2011), Washington, D.C. 20536; and to the Office of Management and Budget, Paperwork Reduction Project, OMB No. 1653-0038, Washington, D.C. 20503.

English language requirement

If your offer has an English language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our Pre-sessional courses can help you to achieve this level.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the Home Office website for details of approved test centres where you may undertake one of the new style SELT IELTS.

Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit our website.

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the UKCISA website.

If your offer has an English language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our Pre-sessional courses can help you to achieve this level.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the Home Office website for details of approved test centres where you may undertake one of the new style SELT IELTS.

Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit our website.

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the UKCISA website.

Tuition fee 2019 £12650

The tuition fee for the 2019 academic year is set out above and is provided on the basis that you are an International student for fees purposes. If you are unsure or believe this is not the case please contact us as soon as possible. Your fee status may be reassessed if you have provided any incorrect information.

For further information about your tuition fees, including when they are due and the circumstances in which they may change for future years of your course please see the **Fees and Finance Policy** which is

Your fees (continued)

sent with this offer. If we anticipate there will be any additional course specific costs (for example, specialist equipment, art supplies, laboratory overalls or contributions to field trips) these will be highlighted in the **About your course** factsheet which is also sent with this offer.

Please note that graduates of a University of Hertfordshire undergraduate degree (either in the UK or at a partner institution overseas) and who are starting a new postgraduate taught course at the university will receive a 20% reduction of fees. This will be reflected in the fees invoice.

Accepting this offer

We very much hope you choose to study with us, so the next step will be to formally accept this offer.

By accepting this offer, you are entering into a legal contract to study with the University of Hertfordshire, subject to you fulfilling the conditions (if any) of the offer.

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 02/08/2019. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you accept this offer, we will acknowledge receipt as soon as reasonably possible.

There is more information about the contract in the **Key Facts** document sent with this letter, so do please read it carefully (as well as the other accompanying documents) before accepting our offer.

If on our part there are any conditions which have to be met before we can guarantee to run the course, these will also be set out in the **About your course** factsheet.

Changing your mind

You have a legal right to change your mind about accepting this offer within 14 days of doing so. Further information about this right, and how to exercise it, can be found in Section 23 of our **Key Facts** document sent with this offer.

Dear Stuti,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Master of Science program in Computer Science at the University of Illinois at Chicago (UIC) beginning in the Fall 2018 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Please call or email the Department of Computer Science to set up an appointment with your advisor. Also available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to http://go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at http://campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at http://go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

FAIRLEIGH DICKINSON UNIVERSITY

Office of International Admissions

Congratulations on Your Admission to FDU

Dear Anusha,

We would like to congratulate you again on your outstanding academic success and your admission to Fairleigh Dickinson University for the spring 2017 semester.

Please note that the deposit deadline is fast approaching. If you intend to enroll at Fairleigh Dickinson University for the spring 2017 semester, please submit your US $200 tuition deposit along with the completed Matriculation Form immediately in order to confirm your spot in our incoming class. The tuition deposit will be credited towards your first semester tuition payment and is refundable only in the unlikely event that your visa is denied. You should not wait to obtain the visa before submitting the deposit and matriculation form. If you intend to reside on campus, please note that a $550 deposit is required. You may find the Matriculation Form and additional information about enrolling at FDU on our web site as well as in your admissions packet.

As many of our programs are near capacity, it is extremely important that you reply with a deposit by the date indicated on your letter of admission in order to ensure that you have a seat in the class. Having the admission and the visa does not guarantee that you have a seat unless we know that you intend to enroll. In the event that you need an extension of the deposit deadline, please contact us via email at global@fdu.edu. If you do not intend to accept Fairleigh Dickinson University's offer of admission, please let us know so that we may close your admission file.

We would like to congratulate you again on your outstanding academic success and your admission to Fairleigh Dickinson University for the spring 2017 semester.

Please note that the deposit deadline is fast approaching. If you intend to enroll at Fairleigh Dickinson University for the spring 2017 semester, please submit your US $200 tuition deposit along with the completed Matriculation Form immediately in order to confirm your spot in our incoming class. The tuition deposit will be credited towards your first semester tuition payment and is refundable only in the unlikely event that your visa is denied. As many of our programs are near capacity, it is extremely important that you reply with a deposit by the date indicated on your letter of admission in order to ensure that you have a seat in the class. If you do not intend to accept Fairleigh Dickinson University's offer of admission, please let us know so that we may close your admission file.

Tuition fees amount of $33,000.00 are reviewed annually and are subject to change. Any fee rate increases will be applied to all offers of admission at the rate applicable to the Commencement Date of your course. In the event of a variation between the Tuition Fees as set out in this Offer letter and the approved La Trobe published annual fee rates, the approved La Trobe published annual fee rate for your year of commencement will prevail ($33,000.00).

The Tuition Fees in this Offer are for a standard full-time annual study load (120 credit points). The Actual Tuition Fees that you will be charged may vary from what is listed in this Offer and will be based on your subject enrolment and the published Actual Tuition Fee for the Commencement Date. The University reserves the right to vary Tuition Fees on an annual basis. In the event of a fee increase, the University will issue you with a Statement of Account after enrolment for your Actual Tuition Fees, which will indicate the specified due date for payment of each subject. If you are enrolled in a greater than standard 60 credit point load in any semester, you may be required to pay additional fees in that semester which were not previously advised to you in this Offer.

Once you have enrolled and commenced your Course, the Actual Tuition Fees for continuing students will not normally rise above 7% per annum, except in circumstances where additional costs are imposed on the University to provide the Course. Should the University decide to increase its fees, that increase will be applied at the beginning of each calendar year.

Each subject that you enrol in within your Course has a Census Date after which you become financially liable for subject. If you withdraw from a subject after the Census date you must still pay for the subject. The Census Date for each subject you enrol in will be shown on your Statement of Account.

This Offer is subject to the University 'Refund Policy and Privacy Statement'. The policy is detailed in the Offer Acceptance Form and is available on the following website latrobe.edu.au/international/fees/tuition
