No of Participants	135
Date of Event:	21-04-2018

BIET organized its Annual Day Fest in 2018, encouraging students to reflect on the values of the past and draw inspiration from the lives and teachings of our great freedom fighters. The event aimed to instill a sense of patriotism and a deeper understanding of the sacrifices made for our nation's freedom.

One of the highlights of the fest was the drama performance, which powerfully captured the essence of human emotions—love for family, home, and country, as well as the complex feelings of anger, jealousy, revenge, ambition, and betrayal. The performances inspired students to develop a stronger sense of morality and emotional depth, encouraging them to strive for a healthier and more balanced mindset.

The Photography Club hosted engaging photo competitions and exhibitions, offering a platform for amateur photographers to enhance their skills and share their creative perspectives. The activity aimed to cultivate a deeper appreciation for the art of photography while expanding students' technical and artistic knowledge.

The Painting Club provided an artistic outlet for students, fostering creativity and personal expression through art. Open to all students, not just artists, the club encouraged participants to explore their creative potential and appreciate the beauty of art in its various forms.

The Annual Day Fest 2018 at BIET was a vibrant celebration of talent, creativity, and learning, leaving students inspired to carry forward the values of the past into their future endeavors.
