Experience Certificate

Name: Neha Murarishetti
Role Played: Instructor
Duration: 04th May 2020 to 10th Sep 2020
College: Bharat Institute of Engineering and Technology
Performance rating given: * Very Good *

Neha Murarishetti, during her tenure with CampK12 has been an amazing team member. Her will to learn new things and intent to bring out a change in the way the education system is progressing, inspired her to perform well during her internship. Her students were extremely hooked to the sessions she conducted and got to learn advanced technologies like Artificial Intelligence, 2D and 3D Coding, Android App Development, Web Development etc.

During her term with CampK12, she was punctual, supportive of her team, showed willingness to learn and implement new programs. Overall, it has been a pleasure working with her and we wish the very best for her future.

Performance rating guidance:

Camp K12 has five tier rating system.

1. Excellent - This is for top notch performance which means the candidate performed much better than the expectations from his or her for this job. The candidate went out of the way and took more responsibilities and sincerely tried to do his or her best and he or she delivered solid results consistently. This is what we expect from all our interns and this performance guarantees them another internship with Camp K12, anytime this candidate is interested.
2. Very Good – Above average performance which means the candidate performed better than the expectations from him or her for this job and he or she went out of the way to deliver solid results.
3. Good – Good performance which means the candidate met the expectations from him or her for this job.
4. Average – For those who just do average but did not do anything exceptional.
5. Bad – Below average performance, which means the candidate performed much lower than what was expected from his or her job. This candidate won't be considered for internship or job in Camp K 12 in future.

No Signature required as this is electronically generated and has electronic serial number:
