## RESOLUTION OF STUDENTS CLUB COMMITTEE

### Technical Clubs

#### 1. Robotics Club:

Robotics clubs are at the forefront of technical exploration. Members collaborate to design, build, and program robots to perform specific tasks. This involves:

**Learning about Robotics Principles:** Understanding mechanical engineering, electronics, sensors, and programming languages is crucial for building robots.

**Participating in Robotics Competitions:** Clubs often compete in regional or national robotics competitions, requiring strategic design, problem-solving, and teamwork to succeed.

**Developing Practical Skills:** Members gain hands-on experience with electronics, coding, 3D printing (if available), and teamwork, building valuable skills for future endeavors.

#### **Benefits of Robotics Clubs:**

**Enhances Problem-solving and Critical Thinking:** Members face challenges throughout the design and building process, fostering innovative solutions and critical thinking skills.

**Develops Teamwork and Communication Skills:** Successful robotics projects require collaboration, clear communication, and effective teamwork between members.

**Promotes STEM Skills and Knowledge:** Robotics clubs provide a practical application of science, technology, engineering, and math concepts in a real-world context.

#### 2. Hackathon Club:

- **Accelerate the speed of innovation and problem solving**, enhance collaboration between teams
- **Motivate the students** of the department to participate in AICTE Smart India Hackathon Competition.
- **Organising Hackathon in the College for Inter College Hackathon Contest** (Software & Hardware). Participate in all inter Colleges Hackathon Competition organized by Neighboring College
- **Develop Students Projects in Software and Hardware in the field of Robotics & Drone, Waste Management, Security & Surveillance, Smart Communication, Healthcare & Bio –Medical**

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

NAAC Accredited, NBA Accredited for UG Programmes: CSE, ECE

Approved by AICTE, New Delhi, Affiliated to JNTUH

Devices, Agriculture & Rural Development, Smart Vehicles, Food Technology, Clean Water, Renewable Energy, Miscellaneous.

- Organise Trainings & Workshops for updating students about latest technologies.

### 3. Mathematics Club:

For those who love the beauty of numbers and the logic of equations, the Mathematics Club offers a playground for exploration. Activities may include:

**Problem-solving Sessions:** Members tackle challenging math problems individually and collaboratively, developing critical thinking and analytical skills.

**Math Olympiad Preparation:** Clubs may help students prepare for competitive math olympiads, further strengthening their problem-solving abilities and mathematical knowledge.

**Guest Lectures and Workshops:** The club may invite mathematicians, statisticians, or data scientists to share their knowledge and inspire members with real-world applications of mathematics.

#### **Benefits of Mathematics Clubs:**

**Deepens Mathematical Understanding:** Members delve deeper into mathematical concepts beyond the curriculum, fostering a deeper appreciation for the subject.

**Develops Critical Thinking and Analytical Skills:** Problem-solving activities hone critical thinking, analytical reasoning, and the ability to approach problems from different angles.

**Boosts Confidence in Math Exploration:** The supportive environment encourages exploration beyond the classroom, building confidence and a love for the subject.

### 4. Physics Club:

Physics Club unlocks the mysteries of the universe through engaging activities:

**Science Experiments and Demonstrations:** Members conduct hands-on experiments, applying scientific principles to real-world phenomena. This fosters a deeper understanding of physics concepts.

**Guest Lectures by Physicists or Astronomers:** Experts can share their passion for the subject, inspiring members and providing a glimpse into the world of professional physics or astronomy.

**Physics Olympiad Preparation:** Similar to the Math Club, some Physics Clubs might help students prepare for competitive physics olympiads, testing their knowledge and problem-

Approved by AICTE, New Delhi, Affiliated to JNTUH

solving abilities.

**Computer Science Club:** Delves into coding, web development, app creation, and other aspects of computer science.

**Chemistry Club:** Conducts experiments, explores the properties of matter, and delves into the fascinating world of chemical reactions.

**Engineering Clubs:** Specific engineering disciplines like civil engineering, mechanical engineering, or electrical engineering might have dedicated clubs focusing on practical applications

and design projects.

The world of technical clubs offers endless opportunities for students to explore their passions, develop critical skills, and make lifelong connections with like-minded individuals. So, dive in, explore your interests, and embark on a thrilling journey of technical discovery!

## CULTURAL CLUBS

Cultural clubs at BIET are groups that come together to celebrate and learn about different cultures. Cultural clubs at BIET offer a variety of activities and events, such as:

- Traditional dance performances
- Folk music presentations
- Language classes
- Food festivals
- Guest speakers

Cultural clubs provide a number of benefits for their members, including:

- The opportunity to learn about different cultures
- A chance to meet new people from different backgrounds
- A platform to share their own culture with others
- The development of new skills and interests
- A sense of belonging and community

Cultural clubs dedicated to performance arts provide a platform for students to express themselves creatively, celebrate heritage through movement and music, and develop valuable artistic skills. Here's a closer look at four vibrant options:

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

NAAC Accredited, NBA Accredited for UG Programmes: CSE, ECE  
Approved by AICTE, New Delhi, Affiliated to JNTUH

### 1. BIET Singing Club:

For students who love to sing, the Singing Club offers a space to hone their vocal skills, learn new techniques, and perform in a supportive environment. Activities include:

- **Harmony Singing and Choir Rehearsals:** Members learn to blend their voices, create harmonies, and work together as a choir. These rehearsals culminate in performances that showcase their collective talent.
- **Solo Performance Opportunities:** The club may offer opportunities for individual members to showcase their solo singing abilities, fostering confidence and stage presence.
- helps members overcome stage fright and develop confidence in their artistry.

### 2. BIET Musical Instruments Club:

This club caters to students who want to learn or improve their skills on a specific musical instrument. Activities may include:

- **Group Instrument Instruction:** Experienced instructors provide lessons on instruments like guitar, piano, violin, or drums.
- **Ensemble Performances:** Members who play similar instruments can come together to form ensembles, learning to play music together and develop ensemble skills.
- **Guest Performances by Professional Musicians:** The club may invite professional musicians to perform and share their expertise, inspiring members and showcasing the potential of their chosen instrument.

### 3. Dance Club:

Unleashing creativity through movement, the Dance Club offers diverse options for students to explore different dance styles:

#### a) Classical Dance

- **Focuses on traditional dance forms from various cultures,** such as Bharatanatyam, Kathak, Odissi, Ballet, or Flamenco.
- **Members learn intricate footwork, hand gestures, and storytelling through dance.**

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

NAAC Accredited, NBA Accredited for UG Programmes: CSE, ECE  
Approved by AICTE, New Delhi, Affiliated to JNTUH

- Workshops may delve into the history, philosophy, and cultural significance of these traditional forms.

### b) Western Dance

- Caters to popular and contemporary dance styles like Hip-Hop, Jazz, Breakdancing, or Modern Dance.
- Members learn choreography, develop rhythmic skills, and explore different movement styles.
- Workshops may focus on specific techniques, improvisation, and creating their own dance routines.

## LITERARY CLUBS

At BIET Literary clubs are groups of engineering students from different branches and diversities and different socio-economic backgrounds who come together to share their love of literature. Literary clubs offer a variety of activities and events, such as:

- Book discussions: BIET Students choose a book to read and then meet to discuss the plot, characters, themes, and writing style.
- Creative writing workshops: BIET Students share their own writing and receive feedback from other members.
- Poetry readings: BIET Students can read their own poems or the poems of their favorite poets.
- Author events: Clubs host events with local or visiting authors.
- Field trips to bookstores, libraries, or literary landmarks.

Literary clubs provide a number of benefits for their members, including:

- The opportunity to discuss books with other people who enjoy reading
- A chance to learn about new books and authors
- A platform to improve your own writing skills
- A sense of belonging and community

### 1) Debate Club

Debate club meeting

- Focuses on developing critical thinking, public speaking, and research skills.
- Members argue assigned positions on various topics, learning to see an issue from multiple

perspectives.

- Debate clubs can be competitive, participating in tournaments against otherschools or clubs.

### Benefits:

- Strong communication and argumentation skills.
- Increased critical thinking and analytical abilities.
- Enhanced research and time management skills.
- Boosted confidence and public speaking abilities.

## 2)Orators / Toastmasters Club

Toastmasters club meeting

- Focuses on public speaking and communication skills in a supportive environment.
- Members prepare and deliver speeches on a variety of topics, receiving feedback from other members.
- Toastmasters International is a well-known organization that provides a structured program for developing public speaking skills.

### Benefits:

- Improved public speaking confidence and delivery.
- Enhanced communication and interpersonal skills.
- Development of leadership and presentation skills.
- Valuable networking opportunities with professionals.

## 3)Quiz Club

Quiz club meeting

- Focuses on general knowledge and trivia across a wide range of subjects.
- Members participate in quizzes, either individually or as a team, testing their knowledge on various topics.

Quiz clubs can be competitive, participating in quizzing events or leaguesagainst other schools or clubs.

### Benefits:

- Expanded knowledge base across various subjects.
- Improved research and information retention skills.
- Development of teamwork and problem-solving abilities.
- A fun and engaging way to learn new things.

Ranga Reddy (Dist)-Telangana-501510

# BHARAT

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

NAAC Accredited, NBA Accredited for UG Programmes: CSE, ECE  
Approved by AICTE, New Delhi, Affiliated to JNTUH

### 4) Poetry Club

Poetry club meeting

- Focuses on appreciating, writing, and sharing poetry.
- Members read and discuss poems by famous poets, and may also write and share their own original work.
- Poetry clubs can host poetry readings, open mic nights, or writing workshops.
- 

#### Benefits:

- Enhanced appreciation for literary language and form.
- Development of creative writing and expression skills.
- A supportive environment to share and receive feedback on creative work.
- Exploration of emotions and ideas through creative expression.

The best club for you depends on your interests and goals. If you want to improve your public speaking and debate skills, then debate club or toastmasters might be a good choice. If you're a trivia buff, then quiz club is a great option. And if you have a passion for poetry, then the poetry club would be the perfect fit.

### ART CLUBS

### Painting Club: A World of Colors and Canvas

Painting clubs delve deeper into the world of color palettes and brushstrokes. They cater to students who are passionate about painting and want to refine their skills in this specific medium:

**Landscape Painting Sessions:** Whether outdoors or working from reference photos, members can capture the beauty of nature through landscapes. These sessions develop skills in perspective, color theory, and capturing light and shadow.

**Portrait Painting Workshops:** Focusing on the human form, these workshops teach students crucial skills like proportion, facial features, and capturing emotions through brushwork.

**Abstract Painting Explorations:** Members can explore the world of abstract art, emphasizing non-representational forms, color harmonies, and emotional expression through paint.

**Acrylic, Watercolor, and Oil Painting Techniques:** The club may offer workshops dedicated to specific painting mediums like acrylics, watercolors, or oils, teaching students the unique properties and

application methods of each.

### SPORTS CLUBS:

#### 1. Basketball Club:

This fast-paced club is perfect for students who enjoy quick reflexes, strategic thinking, and dynamic teamwork. Members can practice dribbling, shooting, passing, and defensive strategies, ultimately working towards mastering the art of the slam dunk or a game-winning buzzer-beater.

#### Benefits:

- Improves cardiovascular health, agility, and coordination.
- Develops strategic thinking and on-court decision-making skills.
- Fosters teamwork, communication, and leadership abilities.

#### 2. Throwball Club:

A variation of basketball, throwball offers a fun and inclusive option. Played with fewer players and a smaller court, it emphasizes quick throws and passing accuracy.

#### 3. Tennis Club:

This classic sport requires focus, precision, and strategic thinking. Tennis clubs provide opportunities for players of all skill levels to hone their serves, forehands, backhands, and volleys through drills and game play.

#### 4. Chess Club:

Sharpen your mind and strategic thinking with the Chess Club. This intellectual challenge requires planning, foresight, and the ability to think several moves ahead.

#### Benefits:

- Enhances critical thinking, problem-solving, and strategic planning skills.
- Improves concentration, memory, and analytical abilities.

- Provides a mentally stimulating and competitive activity.

### 5. Table Tennis Club:

Fast-paced and exciting, table tennis is a great way to develop reflexes and hand-eye coordination. Members can hone their skills through drills and competitive matches, mastering serves, smashes, and defensive techniques.

#### Benefits:

- 
- Improves reflexes, hand-eye coordination, and overall agility.
- Develops quick decision-making and reaction skills in a fast-paced environment.
- Offers a fun and accessible option for students of all athletic abilities.

### 6. Volleyball Club:

Whether it's a thrilling bump, set, spike sequence or a strategic defensive dig, volleyball requires teamwork, communication, and athleticism. Members can learn essential skills like serving, passing, attacking, and blocking, working towards synchronized team plays.

### 7. Football Club:

The beautiful game! Football clubs provide a platform for students to develop their dribbling skills, passing accuracy, and goal-scoring prowess. Whether it's mastering the perfect free kick or executing a strategic team play, the club fosters a passion for the sport.

### 8. Cricket Club:

This bat-and-ball game, deeply rooted in many cultures, requires strategic thinking, hand-eye coordination, and athleticism. Members can hone their batting, bowling, and fielding skills, eventually working towards scoring boundaries or taking crucial wickets.

× TU Toastmasters Club Club (YWC)	Youth Welfare

## STUDENT SOCIETIES/CLUBS

- ✘ **Bharat Institute of Engineering and Technology**, Hyderabad renowned for its academic excellence and green campus life, boasts a rich tapestry of Student Societies, Clubs. These curricular and extracurricular activities play a pivotal role in shaping the holistic development of students, fostering a sense of community, and providing a platform for diverse interests. Students are encouraged to explore their passions, collaborate with like-minded peers, push the boundaries of conventional learning and collectively contribute to creating a dynamic and innovative campus environment.
- ✘ Following is the list of Student Societies/Club for students. Its mandatory for all students to be part of at least two of such Societies/Clubs.

**SOCIETIES First Year 2022-2023**

S.NO	SOCIETY	Objective	INCHARGE	DEPTY INCHARGE
1.	<b>GAMES AND SPORTS</b>	The Institute has several playgrounds and well-maintained athletic track to encourage the students to take part in different games such as Cricket, Hockey, Football, Basketball, Volleyball, Lawn Tennis and Badminton	Dr. G.Polaiah Assistant Professor (Physics)	Dr. Naveen Kumar Assistant professor (Physics)
2.	<b>LITERARY</b>	The primary objective of Literary Society is to inculcate among students a keen sense of language and appreciation for myriad literary expressions, forms and genres.	Dr. Batool fatima Assistant professor (English)	Dr. Eswar Reddy Associate professor ( )
3.	<b>Music/Drama</b>	The objective of this society is to hone the extra-curricular skills of students in the area of Music, Dramatics, Theatre and developing managerial prowess contributing towards their overall personality. It organizes several big events such as MUDRA night and Izhaar etc.	Mrs K.Arпита Associate Professor (English) D.Swathi Assistant Professor Chemistry	Mrs Zehra Qudari Associate Professor D.Swathi Assistant Professor Chemistry
4.	<b>FINE ARTS AND PHOTOGRAPHY SOCIETY (FAPS)</b>	Fine Arts and Photography Society provides a forum to the young budding engineers to give an expression to their varied talents in the field of Fine Arts, Painting, Sketching, Photography, etc	Dr. Papori (Assistant Professor (Physics)	Mrs Zehra Qudari Associate Professor (English)
5.	<b>YOUTH WELFARE CLUB (YWC)</b>	This society develops students' personality through their exposure to the outdoor and welfare activities like: Yoga; Talent-Hunt; public speaking, etc. The society is at the forefront of organizing various festivals on BIET campus.	D.Swathi Assistant Professor Chemistry Dr. Rinki Kumari (Assistant Professor (Chemistry)	Dr. Lithun Swan (Assistant Professor (Chemistry)

### BIET CLUB ELECTIONS

BIET conducts Club Elections every Year to encourage the young Talent in the student fraternity. There are distinct number of clubs related to Literature, Art, Cultural, Sports etc. BIET runs clubs through active participation of the students through their club representatives and deputy Representatives. In this regard to choose the Club Incharges & Deputy Incharges BIET club elections will be conducted through voting in the campus.

- Centralized club elections will be conducted for all the clubs from all the years of BTech, Mtech, and MBA.
- Total college will be given a choice to join in their interested clubs to enjoy and improve their skills, talent.
- Students from different years who want to lead the club has to campaign for getting their votes as a club representatives from students
- Basing on the voting on the elections day club representatives and deputy club representatives will be elected basing on majority of votes.
- Then students will be given lead role to plan ,schedule and organise different activities under the name of different clubs
- In BIET students thoroughly enjoys the clubs because it is learning through fun
- These clubs help them in boosting their confidence , public speaking, communication skills , leadership qualities, overcome their stage fear, developing their innovation , scientific temper etc

Teams of students battle out with thier minds to become the quiz Club champion, enhancing their skills and sharpening thier minds In the process

# PERSONALITY DEVELOPMENT CLUB

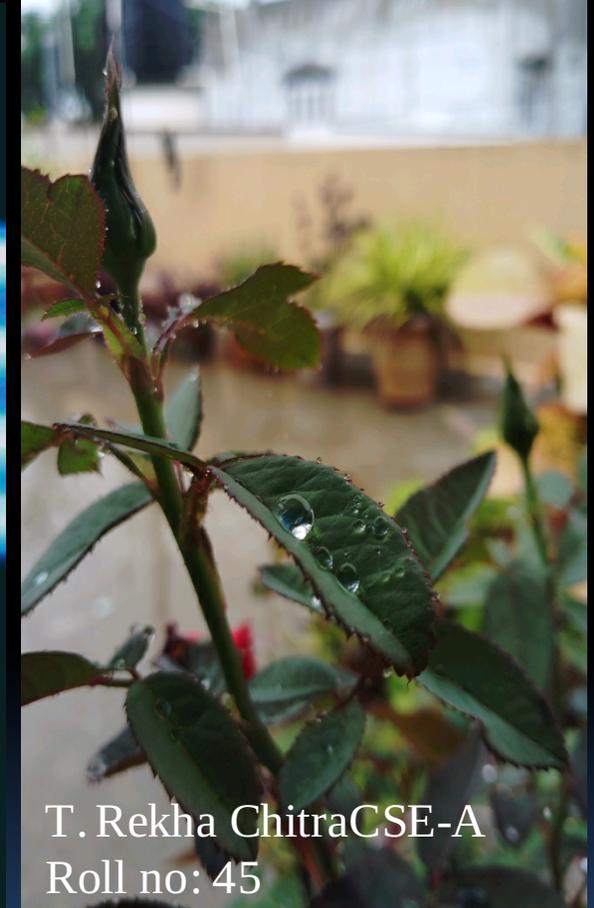

# PHOTOGRAPHY CLUB

**lokesh ECE 'B** *by Ajmal*

**ECE -SUNNY**

T. Rekha Chitra CSE-A  
Roll no: 45

# SPORTS CLUBS

*Basketball Club*

Students can play Basketball in the Basketball court.

*Volleyball Club*

Students can play Volleyball. There are many volleyball courts in the campus to include all the participants

*Cricket Club*

Students can play and cricket in the cricket club in the cricket ground every week.

# SPORTS CLUB

# CREATIVITY CLUBS

## Mehndi Club

Students can show thier creativity during the mehndi Club

## Rangoli Club

Students design beautiful and intricate rangolis during the Rangoli club

## Creative Writing and Poetry club

Students can show thier Poetry skills during the poetry club

The background of the slide features a photograph of a modern, multi-story academic building with a central courtyard. The building has a light-colored facade and several balconies. In the top left corner, there is a circular logo for Bharat Institute of Engineering & Technology, with the text 'BHARAT INSTITUTIONS' below it.

# Bharat Institute of Engineering & Technology

Welcomes you

---

To the great world of skill based  
learning through clubs and  
activities

Not only clubs and activities enhance the skills they  
also act as a rejuvenation method for the students to  
get a break from studies .

**Boys & Girls Clubs are a safe place to learn and grow – all while having fun. It is the place where great futures are started each and every day.**

**THANK YOU**
